Sudanese - 1999 - Software Engineering Degree

+966 057 5045 139

softwareabdf@gmail.com

Makkah, Kingdom of Saudi Arabia

EDUCATION

Bachelor of Software Engineering
SEGi University - Malaysia

School of Physical Science & Computing
University of Central Lancashire (UK)

SKILLS

Programming

- PHP
- Java
- C#
- C++
- HTML/CSS
- SQL (including Oracle and phpMyAdmin database)
- Scripting:
- General knowledge in scripting for Windows
- General knowledge in scripting for web applications

Financial

- Expertise in SAP financial system
- Petty Cash management and reports

Multimedia and Content Editing

- Image editing
- Video editing
- Document/PDF editing
- Presentation editing

Technical and IT Support:

- Knowledge in configuration and setup of networks, cameras, servers, printers, and computers

Data Entry

- Hotkey and macro automation
- Create Custom apps to speed up the tasks
- Proficient in Microsoft Office applications, using complex formulas, databases, forms, rules. and scripts

ACCOUNTS ASSISTANCE & IT & DOCUMENT CONTROL

SUMMARY

Dedicated and highly adaptable professional with a solid years experience in many departments, successfully took roles in Document Control, Finance & Accounts, Contracts, Procurements, and Warehouse. Recognized for my skill in ensuring smooth workflow and stability in varied work environments. Proficient in Information Technology and software apps, to create systems and simplify the tasks. I excel in content editing anywhere from image to videos and bring a robust background in managing project finance, procurement processes, inventory management, and document tracking & control, high adaptability to the demands of any work environment positions me to leverage my extensive skills and expertise for the continued success of your organization.

EXPERIENCE

Chef-Accounts Assistant

Al-Rajhi for Building and Construction

2024- Present

Development of fire and cooling networks at Mina, Makkah Project (KIDANA)

• Contract Management:

- Managed subcontractors' contracts and maintained a detailed tracking log.
- Established and organized a contract library for easy access and reference.

• Finance Management:

- Tracked subcontractors' payments, deductions, and expenses accurately.
- Recorded financial transactions banks and petty cash and into the SAB system with precision including orders and warehouse inventory

• Employee Management:

- Oversaw employee requests, maintained comprehensive logs, and monitored compliance.
- Calculated and processed salary deductions accurately based on violations and borrowing.

• Procurement Management:

- Maintained detailed procurement logs and managed the issuance of purchase orders.
- Ensured timely payments to suppliers and contractors by monitoring payment statuses.

• Network and Data Management:

- Installed, configured, and maintained network extenders and access points for office connectivity.
- Configured WD Network HDD for efficient storage and accessibility of project files with user account configuration to be shared anywhere

2021- 2026

SUMMARY MAP

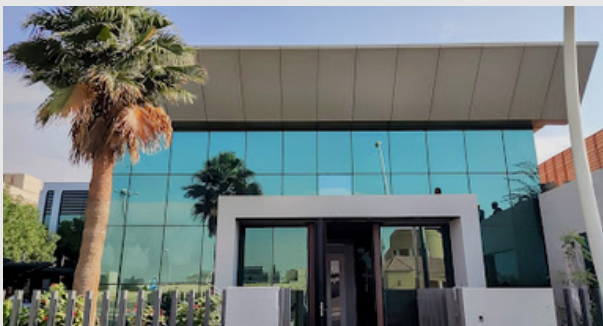

Makkah (Development of fire and cooling networks KIDANA) - 2024

- Worked as Chief-Accounts Assistant

Dammam (Data Center) - 2022

- Worked as Document Control and Temporary Store Manager And Accounts support

RIYADH (Headquarter) - 2021

- Worked as IT support and Contracts Manager Assistant

EXPERIENCE

Document Controller & Temporary Store Manager

Al-Rajhi for Building and Construction

2022- 2023

STC Huawei Data Center Dammam [071] Project

- **Document Management:** Organized site inspections and material approvals, maintaining a document repository with trackable logs and reports for easy access.
- **Procurement Oversight:** Issued and tracked purchase orders and material requests, ensuring timely follow-ups.
- **Inventory and Stock Management:** Oversaw site inventory and maintained an equipment library. Generated stock reports for monitoring.
- **Financial Management:** Managed site financial records, including invoices and bank transactions. Handled petty cash and subcontractor accounts using SAP.
- **IT Support:** Provided efficient IT support for site devices, addressing formatting, data recovery, and driver installation requests.
- **Network and Server Management:** Configured and maintained site network, servers, and extenders for secure device connectivity.
- **Camera System Supervision:** Supervised camera system functionality, abstracted video backups, and created project presentations.
- **Employee Support:** Managed employee requests and proactively addressed Iqama and salary issues.
- **Systems Development:** Developed software systems to streamline finance, procurement, and documentation, enhancing operational efficiency.

IT Support

Al-Rajhi Building and Construction and Al-Rajhi Telecom

2021-2021

IT Support

- Managed and delivered IT support to external clients and companies.

TO WHOM IT MAY CONCERN

Dear Sir/Madam,

RE: CONFIRMATION OF STUDENT STATUS

This is to confirm that **ABDELRAHMAN FATHI ABDELRAHMAN HASSAN (PASSPORT NO:P04362996)** was a **full-time** student from **SUDAN** who has completed the **BACHELOR OF INFORMATION TECHNOLOGY (HONS)** programme conducted at SEGi University and English was the medium of instruction. The student has commenced studies in **MAY 2017** and completed studies in **FEBRUARY 2022**.

Should you need further clarification, please do not hesitate to contact Ms. Clara at
03-6145 1725 (Registry Department).

Thank you.

Yours faithfully,

Wong Chee Kong
